

Eat, Paint, Cook Tour of Tuscany 2020 with Rebecca Zdybel

Dates of Program: 7 Days in Tuscany (Sept 26-

Oct 3, 2020)

Our home away from home is the beautifully restored ex-monastery of San Fedele, located in the Chianti region of Tuscany near Radda-in-Chianti, about 12 km northeast of Siena and 45 km south of Florence.

Over 1000 years old, San Fedele monastery dates back to 1203AD. The complex consists of a 16th Century chapel, a refectory, terrace, U-shaped piazza, conference/class rooms, organic gardens and swimming pool. All guest rooms are elegantly furnished with refrigerators, modern bathrooms and Wi-Fi internet access. The program will be facilitated by *Il Chioistro, Inc.* who will provide

transportation and handle all payments. For photos and a detailed description: [Learn More and Sign Up for Eat Paint Cook 2020](#)

Come with me to TUSCANY! We will be living a dream...

This trip will be yet another chance to combine all the things I love: Travel, Great Food, Cooking, Wine, Art, Teaching, Friends, and Music...it's a dream fulfilled!

Imagine yourself enjoying the peace and tranquility created by the beautiful scenery of the Tuscan landscape.

Imagine the experience of making art in beautiful settings. I have found that personal and intimate connections with locations and people happen naturally while painting or sketching on the street. I have some pre-printed images that will make creating some special paintings of San Fedele much easier.

San Fedele Awaits- Rebecca Zdybel

Imagine eating and cooking "Tuscan style". Delicious, fresh, organic and FUN! We get to enjoy delicious food and great wines prepared and selected by our excellent chef. In the process we cement new friendships and make some great memories. The meal at the end of the day will be a gathering time. A chance to appreciate the fresh locally grown food and great wines that this region has to offer. Italians understand that meals are a means of connecting with those we care about, and we will relax and enjoy that experience night after night. On this trip to Tuscany, all these dreams can be realized during our very special week.

Bubble Boys- Rebecca Zdybel

All you need to enjoy this trip is:

1. A capacity for laughter
2. A positive attitude
3. Willingness to dwell on beautiful things and/or indulge others as they dwell on them
4. A taste for farm-to-table organic foods and wines
5. Willingness to explore incredibly beautiful and wonderfully medieval Tuscan towns.

6. Come on this tour if you have an interest in learning and/or making art through drawing, painting, or photography. If you aren't an artist, then all that's required is a willingness to indulge us when we talk about these things. You can always choose Art lesson time as an opportunity to take a walk, swim in the Olympic size pool, grab a nap, read a book or take a walk.

7. Take advantage of the opportunity to cook with my favorite Tuscan chef, Andrea Anichini. If you are part of this trip, then you can enjoy a cooking lesson with this character. How fun will it be to learn a few of Andrea's Tuscan Tricks of the Trade?! And yes...he is just as FUNNY AS CHARMING AS THIS PHOTO IMPLIES! (He is also a sommelier!)

8. Interest in touring Tuscan wineries or viewing local art, and/or historical sites. These are all available on our day trips. (Great options for artists and non-artists alike).
